Our password scheme;

Anyone we send to your door, such as our engineers, will always carry an ID card which they'll show you to confirm who they are. If you'd like extra security, please choose a personal password and write it below in block capital letters. Whenever we send anyone to your home they'll be able to tell you the password to protect you from fraudulent callers.

(Maximum 10 characters)

Nominee scheme;

If you'd like to nominate a family member or carer to act on your behalf please provide their details below. We'll need you to sign the form to give your consent for us to discuss your account with them. We'll also need a signature from them to confirm they're happy to act on your behalf. Once we've received written confirmation from both parties, we'll use them as our main point of contact.

Declaration; I confirm that the details I have given are true and correct. I give permission for you and other organisations acting on your behalf to securely store and use my personal details so that you can provide me with priority services. We may contact you or your nominated representative to discuss any of the information provided in this form. If you've provided details for a nominated representative, you're giving your explicit consent for us to talk to your nominated representative on your behalf. This may mean we share information with them about you and your heat supply until you tell us that you no longer wish them to act as your nominated representative. I understand that, by law, you're allowed to use my personal details once I give my permission. We confirm that we won't use or pass your details to a third party for marketing purposes.
